Dear Antelopes,

I hope you are all well and are looking after yourselves. It seems like a long time since we last saw each other and we have missed all of your smiley faces and the busy classroom life. We know that this has been a very different past couple of weeks and it will take time to get used to it all, but we are proud of how you have adjusted to it.

Mickey has missed your company and wishes you all his best as he currently sits in Miss McMillan's house. He is looking forward to hearing all of your stories when we are reunited.

Well done to you all for taking the time to do some learning at home and we are grateful to your families for supporting you with this. I hope you have enjoyed your learning packs and we would love to hear how you have been getting on with the activities. We are pleased to see that many of you have been using Professor Assessor <https://www.prof123.co.uk/Start>, Mathletics <https://www.mathletics.com/uk/> and Reading Eggs <https://readingeggs.co.uk/> already and hope this will continue as more home learning will be set on these sites now and after Easter. If you haven't used these yet, please take time to explore and have a go.

We have been excited getting your learning ready for next term, as we will be looking at Rainforests. Some Easter activities relating to this will be on our Antelope class page on the school website for you to have a go at over the holiday <https://www.bratton.wilts.sch.uk/antelope-class/>. After the Easter break, we will be putting learning and activities on the school website for you every week.

In the meantime, keep safe, stay at home and work hard to keep your brain and body active. We hope you have a lovely Easter and enjoy the current sunshine.

From,

Miss McMillan, Mrs Smith, Mrs Harvey and Miss Shaw (oh, and Mickey!)
