In October 2018, following a detailed submission process, we were delighted to receive our EYFS Bristol Standard Certificate for 2018-19

About The Bristol Standard

- The Bristol Standard is recognised nationally as an outstanding self-evaluation framework and the benefits and impact of its approach have been well evidenced.
- Through team reflection and discussion, the strengths of the setting are celebrated and future priorities become clear.
- The Bristol Standard enables practitioners to talk more knowledgeably about what they do, why they do it and the difference it is making for children and families in their care.
- Settings who engage with the process are more likely to be judged as good or better.
