SESSION 2 – LOOKING FORWARD TO YEAR 2

- We are going to look ahead to next year in this session.
- First we would like you to think about:
 - What will be different in Year 2?
 - What are you looking forward to?
 - What are you nervous about?
 - Is there anything you would like to tell your new (or current) teacher that will help them to know you better?
- Please now work through the next few pages. You could draw pictures to go with each section.
- If you email your work to the Lemur Class email address then we will pass it on to Mrs Sealy and Miss McMillan or Mrs Janman will read it if she is your teacher next year.

- In this session we are going to write a letter to your Year 2 teacher.
- You can use some of the ideas from yesterday to help.
- Please think about how to set out a letter and what the features are that we need to include:
 - Greeting (Dear...)
 - Introduction (Why you are writing?)
 - Details (Give details about yourself. What are you good at? What would you like to get better at next year? What are you looking forward to next year? What are you worried about next year? Etc.)
 - End the letter (I can't wait to be in your class next year / I am looking forward to being in Year 2 / Etc.)
 - Sign off (From ...)

Please look on the next 2 pages for some example letters.

SESSION 3 – LETTER TO YOUR YEAR 2 TEACHER

Dear Mrs Sealy and Miss McMillan,

I am writing to tell you a little bit about myself before we start the new school year, so that you can get to know me. I am really looking forward to being in Leopards next year.

I am really good at making sure I use capital letters in the right places in my work, and I always remember to use them for names. I am working on making my handwriting more accurate and leaving clear finger spaces between words.

I am also really good at adding and subtracting numbers in maths. Sometimes I write the number 5 the wrong way round and I need to check my work carefully to make sure I correct this.

I really enjoy reading and my favourite book is 'The Tiger Who Came to Tea'.

I am really looking forward to next year and making new friends with the new people in my class. I am looking forward to everyone being back in school and playing together. I am worried about the learning being harder in Year 2 but I know you will help me to understand my work.

I can't wait until September!

I am also really good at adding and subtracting numbers in maths. Sometimes I write the number 5 the wrong way round and I need to check my work carefully to make sure I correct this.
