April 2020

Dear Lemurs,

These last 2 weeks seem to have flown by and we have missed seeing you all. The school is very quiet without you! We hope that you and your families are all feeling well and getting used to staying at home. Larry the Lemur is settling well into the Janman house. He has had a bath and lots of cuddles with Georgiana, although we are trying to keep Bramble the dog away from him! We know that learning at home has taken a bit of getting used to and we are so proud of all your hard work and perseverance!

We hope that you have enjoyed your learning packs and look forward to hearing about how you got on with them. Well done to everyone who has logged on to Reading Eggs <https://readingeggs.co.uk/> and Mathletics <https://www.mathletics.com/uk/>. We already have a class total of 21, 010 points on Mathletics! It has been great to see the different activities you have been trying and I particularly enjoyed reading a story about "Fridge Monsters" that one member of our class has written! Don't forget to log on to Professor Assessor as well <https://www.prof123.co.uk/Start>. We have set some tasks for you to try and look forward to seeing how you get on with them! Remember to keep growing your brains!

We have been working hard to get all your learning planned for next term and our new exciting topic is ... "Pirates Ahoy!". We have added a link to the Lemur Class Webpage <https://www.bratton.wilts.sch.uk/lemur-class/> leading to some fun and 'piratey' Easter activities! We hope you enjoy these and look forward to seeing what you get up to over the next 2 weeks! After this we will be uploading work every week to the school website, so please look out for this.

We hope you have a lovely Easter! Stay safe, behave for your parents and enjoy eating lots of chocolate!

From

Mrs Janman, Mrs Gray and Larry the Lemur
