

## Meerkat Homework Grid

Term 1

### ¿Casa o Fuera? Home or Away?

These are optional activities but we hope you try 1 or 2 this term.

Please bring in or practise for the **WC 24<sup>th</sup> October**

#### Move

Can you create 8 shapes and create a dance routine using all 8. How many of the shapes are standing and how many are floor shapes? What movements are used to connect your shapes?

Send a video in to show Mrs Hawke.

#### Practise

We have been using place value this term.

Can you roll a dice to create 4, 5 or 6 digit numbers, and order them from smallest to biggest?

Can you use the symbols < or > too?

#### Observe and explore

Gaudi is a Spanish artist that enjoyed creating mosaics. Can you research Gaudi and explore this medium by creating a mosaic of a Spanish silhouette? For example, a bull, flamenco dancer, lizard? This can be done with squares of coloured paper or drawn using bright colours.

#### Talk

Talk to an adult about some of the things we have learnt so far about Spain - cities, landmarks, food, festivals, language, artists etc. Maybe you have already started thinking about which country you would like to live in, and why.

#### Make

Can you make a Spanish flag? You may want to use junk modelling, draw it or even sew. Look closely at the detail!

#### Question

Can you write a list of questions that you would like to ask a matador, like Uncle Juan in Toro! Toro! We will be thinking about the role of a matador over the next few weeks and what it is they do. We will decide if we agree or disagree with bullfighting in Spain and hold a class debate on the subject.
