

Antelopes Homework Grid

Term 2

Journeys-Can challenging journeys help us to grow as people?

These are optional activities but we hope you try 1 or 2 this term.

Move

Can you create a dance sequence involving jumping, landing, turning and balancing that you could then teach us all in school?

Practise

When do we use multiplication facts in our everyday lives?

Try creating some maths problems for us to solve in class involving multiplication eg

I am buying food for a picnic. I buy 6 cartons of drink that cost 55p each and 6 cheese rolls that cost £1.25 each. How much money will I need?

Research and explore

We are going to be thinking about journeys this term. Can you find out about a famous journey, expedition or pilgrimage that have been made over the past 100 years?

Talk to an adult

Talk to an adult about a memorable journey they have made in their lives.

Make

Can you create an alternative cover for the book Kensuke's Kingdom?

Question

Try creating a quiz about countries, capital cities, key facts and flags
