

Antelopes Homework Grid

Term 3

A Frozen Planet- Why is the world melting and what can I do?

These are optional activities but we hope you try 1 or 2 this term.

Explore

See what you can find out about how people survive in extremely cold environments. What can you find out about the famous Antarctic explorers. Can you create a short talk with a powerpoint?

Question Try creating a quiz about climates around the world.

Create

See what you can find out about the impact of climate change on a particular country and write an illustrated report on how it has been affected.

Research

Choose an animal that lives in the Arctic or Antarctica and produce a fact file which includes the following information:

What the animal looks like

Where it lives

What it eats

How it is adapted to its environment

Any dangers it faces

Talk to an adult

Talk to an adult about all the ways in which they reduce, reuse and recycle in their lives.

Make

Can you create a piece of artwork that captures the magical colours and shapes of the Northern lights?
